Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested.

For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord.

Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You're a real smoothie, refined and ever so facile when it comes to handling other people -- a diplomat. And yet -- despite all of this apparent calm -- you like your partners

anything but cool. You can't resist impulsive and action-oriented people -- the more daring, the better. You bring out the recklessness in those you love, and you love it. Although at first meeting one might never suspect this, you love to walk on the wild side.

Aries on 7th Cusp (This indicates a person who may not hesitate to marry impulsively if moved emotionally. It helps to know this if you're seriously dating or considering marriage at some point.)

Relationships tend to be hot and heavy. You are drawn to partners who are aggressive, assertive, and very emotional. Independence and adventure are things you value in others. You tend to depend on your partners to get you motivated and keep you moving. You need someone who is stimulating emotionally.

Strengths in your relationships

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Conjunction Mars (orb: 00 56')

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Conjunction Saturn (orb: 01 13')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 03 27')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Trine Uranus (orb: 07 37')

Challenges in your relationships

You may have an inordinate fear of confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

Sun Square Pluto (orb: 01 33')

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

Mars Opposition Jupiter (orb: 04 08')

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

Your Relationship with Stacy

There is almost a sense of mystery about your relationship with Stacy. You cannot hide things from her, so there are no formalities when you are around her. You feel exposed. The whole thing has a magnetic sexual quality to it which both of you support. You tend to feed on this arrangement, with the result that the experience is strengthening and supportive. Aside from this you may be involved in some kind of financial partnership. She might act as your agent, or as a go-between.

Her Moon in Your Eighth House (A strong indication of passion being very important to both of you, but don't let it blind you too much.)

Your meeting Stacy was exciting and action oriented. In many ways, you are two of a kind. Chances are that you identified with her at once. After all, she is very much like yourself -- like looking in a mirror. Just the person to draw you out of yourself and get you doing things. She may have brought a sense of adventure and risk into your life. You found yourself doing things with her, daring to live, and making a statement. You found yourself really coming across with her, being all that you can be. As corny as this sounds, the world has really been more responsive to you since you met Stacy.

Her Sun in Your First House (This aspect indicates that you are very attractive to Jon; this attraction may be the glue that hold your relationship together initially. Later on, intrinsic qualities may solidify your union and help it mature.)

You like the way she thinks. Meeting her was probably easy, and you were able to talk right from the start. You find that she likes to talk about you and how you are, without your having to feel vain or egocentric. You enjoy this. Others may tend to see you as two of a kind, as much friends as lovers. There is a real potential for partnership here. Since the communication lines are always open, you could team up on a project involving speaking or writing -- something intellectual.

Her Mercury in Your First House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. She manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In Stacy's "light" your better qualities get exposed. She appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

Her Venus in Your Twelfth House (A strong indication of a karmic tie due to a 12th House connection via Venus.)

Stacy could be a positive asset when it comes to business and financial concerns. She can provide drive and may push you to improve yourself, make more money, etc. There is incentive here for you to respond to whatever opportunities may be latent in your situation. You may become more active in this regard as a result of this relationship. Money and possessions get a boost. The relationship may involve some jealousy and possessiveness.

Her Mars in Your Second House

She tends to lead you away from the bright lights, and shows you the value of home, family, and security. Stacy does not force this upon you. Through her you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. She is the key to your discovering these qualities in yourself. You may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

Her Jupiter in Your Fourth House (A good indication of one of you being very keen to move in to make a home together; the nesting instinct will be strong as time goes by. Co-habitation is a good possibility.)

Stacy loves routine. She takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

Her Saturn in Your Fourth House

Stacy has the capacity for introducing you to radically new goals and groups of people. Perhaps through her you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. She has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. She

is anything but boring.

Her Uranus in Your Eleventh House

You find Stacy enchanting and are easily carried away by her eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

Her Neptune in Your First House

She is very dynamic, and you probably met her in a group of friends or at a community function. She may instantly set about forming a new group of friends for you to hang around with, or she may advise you on which groups and projects are really worthwhile. Stacy will strip away a lot of needless social niceties. Through her you may be exposed to a more radical form of politics or group goal than heretofore. She is very serious about all of this.

Your Mars Conjunction Her Moon (orb: 07 55')

There is real mutual support here. You tend to have similar emotions and are very understanding of each other's feelings. If anything there might be too much of a good thing, and you could get bogged down in the relationship. For the most part though, this is a very nice state of affairs.

Your Moon Conjunction Her Moon (orb: 08 50') (An extremely strong indication of understanding each other very deeply on an emotional level.)

Challenges in your relationship with Stacy

You never know what to expect with Stacy. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

Your Sun Square Her Uranus (orb: 02 55')

You may not appreciate her sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

How You Approach Relationships

Who would expect from your dignified and staid manner that you require so much mothering from a partner? Your natural business sense and conservative nature in general might point to your hooking up with a real no-nonsense and even cool type. Not the case. You are attracted by feeling and emotional types, and a good strong display of emotion never put you off, although you may prefer it in the privacy of your home. You find it hard to be demonstrative, yet you love to be cared for and even babied.

Cancer on 7th Cusp

You need lots of love and attention, and you don't mind being mothered a bit, either. You like partners who are emotionally sensitive, supportive, and nurturing. A bit of mothering goes a long way with you.

Strengths in your relationships

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

Sun Sextile Uranus (orb: 01 23')

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

Mercury Sextile Uranus (orb: 03 00')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Trine Pluto (orb: 03 16')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural

sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Sun Conjunction Mercury (orb: 04 24')

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

Mars Conjunction Neptune (orb: 05 05')

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

Sun Conjunction Neptune (orb: 09 34')

Report for Stacy

Challenges in your relationships

You may choose to pursue a dreamy idealism at the expense of more mundane concerns. Somehow you always manage to pit your ideals against the actual reality of the situation. Is it escapism or vision? Probably some of both. You will need a partner who can bring things into focus without shattering your gentle dream world. There may have been some rather harsh realities connected to your upbringing. You may find yourself putting the feminine principle on a pedestal.

Moon Opposition Neptune (orb: 02 07')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. You require a partner that can give you lots of emotional support.

Your Relationship with Jon

There is an odd sense of joy when you are around Jon. You feel confident and creative. There is often this sense of discovering yourself when the two of you are together. You tend to feel more protective and sensitive to animals, younger people, and children. You

can be very emotional and expressive with Jon, and things tend to have a fresh, new quality. It is hard not to feel that all of this is good.

His Moon in Your Fifth House (A strong indication of fun and passion being very important to both of you.)

The two of you probably met as part of a group that shared some common interest. Ron struck you as a peer, an equal who shared perhaps the same new-age way of seeing things that you do. You have both had the same vision, a common dream, and probably share a mutual resolve to see that those dreams happen. There is a sense of a brave new world about this friendship. The two of you standing on the edge of the future. He represents the way you feel relationships should be. There is a feeling of doing the right thing, what ought to be done, even at the expense of a little warmth.

His Sun in Your Eleventh House (Friendship is paramount to both and through friendship, love is born.)

You probably have some very unusual communication with Jon. He is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with him. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. He tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

His Mercury in Your Twelfth House

Jon may have been attracted to you because of the friends and acquaintances you have. He values shared goals and common ties, in particular if they have some kind of moral or humanitarian purpose. You may work and live together as part of a project or community. You may be just friends and never lovers. He has a sense of your hopes and dreams, and loves you for them. He finds your friends uplifting and worthwhile.

His Venus in Your Eleventh House (Another strong indication that being friends will create a strong bedrock for deeper, more long-term emotions.)

Jon is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good sex to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with him.

His Mars in Your Fifth House

There are real career opportunities in knowing Jon. He may be the key to providing you with insight as to how you can improve your position or social standing. He has an obvious integrity and sense of fairness that could serve to make you more upright and respected. He has the capacity to show you the way to more practical control and achievement. A great business partner.

His Jupiter in Your Tenth House (A strong indication of Ron being lucky for your career as well as socially.)

He seems to be very hard on your sense of altruism. Your attempts to be charitable or to sacrifice may be played down or belittled by him. He won't tolerate your feeling sorry for yourself or for the state of the world. It could be difficult for you to feel philanthropic or kind when the two of you are together.

His Saturn in Your Twelfth House (On a deep level, Ron is here to teach something fundamental about karma; there is a serious tone to your love story too.)

Jon is very direct. He seems to cut to the very heart of a situation, which sometimes leaves you feeling exposed and vulnerable. Yet time spent with him can be terribly exciting. You find yourself wanting to get rid of a lot of excess social baggage when you two are together. You may tend to spend a lot of time alone due to the very sensitive and open relationship you share. He may be able to lead you into making some very shrewd and innovative business deals.

His Uranus in Your Eighth House

Jon could have a strong effect on your motivation and career direction. You may find him inspiring and able to give you a clear picture of the ideal possibilities of your work. He is capable of generating great enthusiasm on your part, and you are easily enchanted by his images and words which can have an almost numbing effect on you. If you work closely together, this can have a very beneficial effect on your attitude. If you get too far apart, the whole thing can take on an unreal quality.

His Neptune in Your Tenth House

This relationship is passionate and intense. You can't ignore Jon, and he knows how to get right to you with a single glance. He won't put up with excuses or habits of yours which are a waste of your time or money. He is not afraid to get right in there and change you himself. He doesn't ask your permission to do the obvious. This may result in a real power struggle for you both. On the other hand, this could be a powerful business relationship.

His Pluto in Your Eighth House (Make sure that money never comes between you both; separate bank accounts are suggested.)

Your Mars Square His Uranus (orb: 00 36')

Dear Stacy, I have indicated important points of compatibility in **blue writing** for your convenience in this report as well. There is much commonality and compatibility with this man, but he has to be ready for a serious romantic connection with you. You both share the same Moon sign of Taurus, which is good but some contrast may be needed to keep your relationship fresh, or it may begin to stagnate. His Moon sign may calm him down and stabilize him enormously, because you both will connect on the basis of your lunar vibrations. He definitely has the allure that you need a lover to have and he is also quite sensitive because of his Numerological Birth Number of Neptunian 7.

Numerologically, his 7 flows very nicely with your Venusian 6. I would recommend learning more about his Numerological Birth Number as soon as you can. Your next step is to see if there is someone that you love whom you'd see as a potential long-term life companion some day. After you have found that person, read your joint [Lover's Composite Report](#) as soon as possible. It will give you a very accurate flavor of what a long-term and seriously committed relationship with them will be like. It will also point out if there are karmic ties between you, as they signify a very intense bond of true love between two souls.
